There is no specific authority to treat the provisions of the M.S.R as to grant travelling allowance are applicable to shipments from Local Funds. The rule in article 535 is a wholesome one and in the absence of clear and satisfactory explanation for a departure from this wholesome rule the employee was right in disallowing the excess charge. It may perhaps be wise to enquire into the circumstances which led to the disallowance of Rs 51 by the employee and the necessity to transfer the journey through the Customs Yard.
